## Contents of this file

1. Figures S1 to Sx

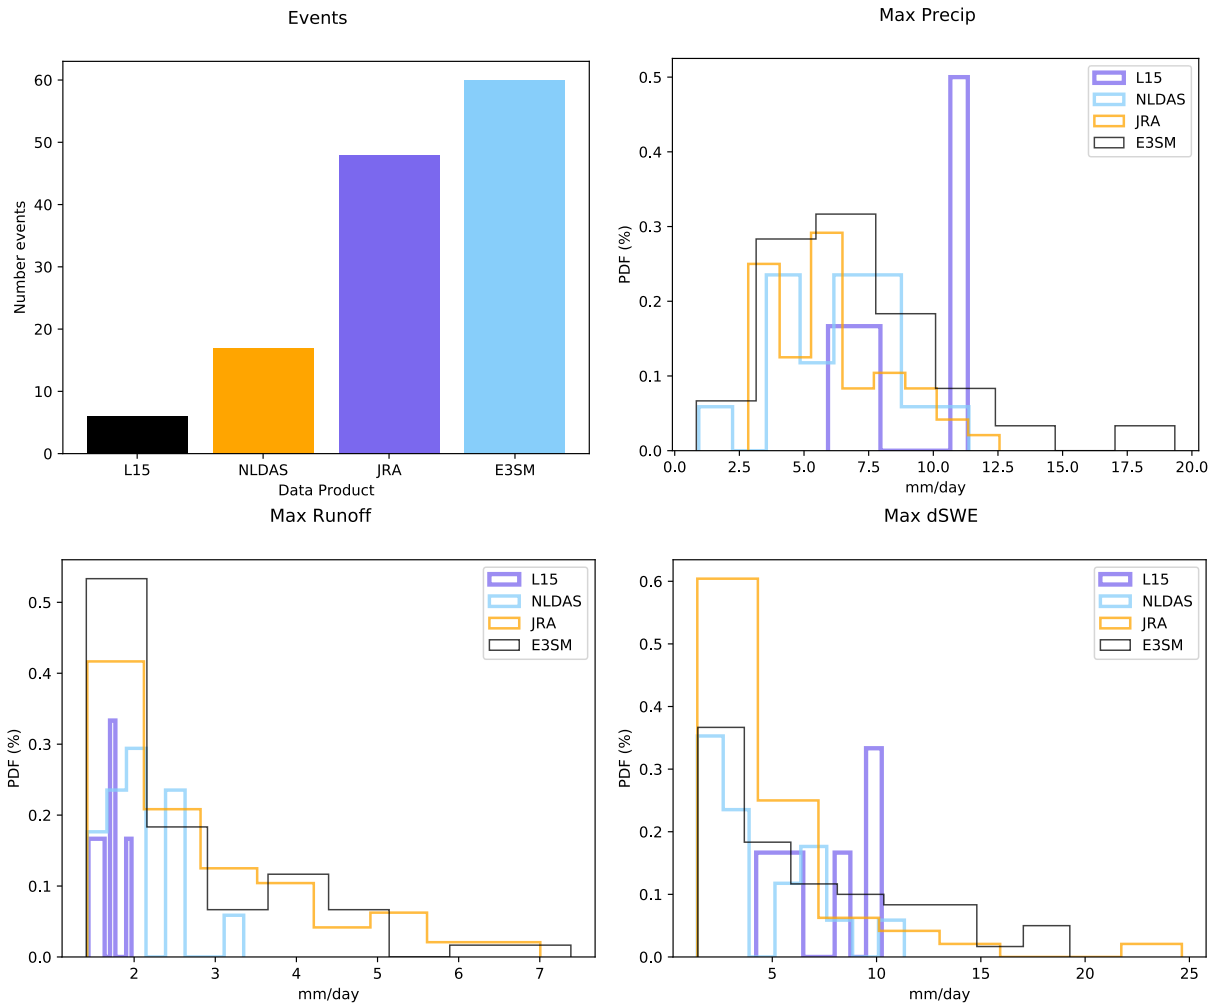

## Additional Supporting Information (Files uploaded separately)

1. Captions for Datasets S1

## Introduction

**Data Set S1.** (ds02.tar.gz) gzip archive containing panels identical to Figs. XXX and XXXX except for all other WY in the dataset.

---

**Figure S1.** As in Fig. XXX, except using the FIXED thresholds of 1.4 mm/day for ROF and dSWE instead of the RELATIVE thresholds (95th percentile of each dataset)
